In September 2008 the Wingecarribee Shire Council agreed to support the Southern Highlands Botanic Garden (SHBG) in our approach to the NSW Government to look at **Hillview, Sutton Forest**, as a potential site for the Botanic Gardens.

"Hillview" was purchased by the NSW Government and used as country retreat by 17 Governors from 1882 to 1957 when

Hillview Update

it passed into private ownership. It was gifted to the people of NSW in 1985 by Mr Edwin Klein.

The 60 hectares (150 acres) site lay idle for nearly 15 years until it was advertised for lease.

After 10 years of renovation, the current tenant is anticipating opening the property as a boutique hotel.

The Committee made an approach to the Minister for Planning, **Ms Kristina Keneally**, to consider establishing a botanic garden on the site.

Unfortunately, the Minister advised the Department is currently in discussions with the existing tenant regarding the future tenure of the property and is unable to discuss the matter further with the SHBG.

Annual General Meeting 2009

The Annual General Meeting of Southern Highlands Botanic Gardens Incorporated (SHBG) was held on 12 October 2009 and the Committee Members elected for 2009/2010 were:

Chairperson: David Ross
Vice Chairperson: Chris Webb
Secretary: Jan Edwards
Treasurer: Charlotte Webb

Committee: David Cummins, Martin Laverty, Geoff McBean and Ross Stone.

Members of the Incorporation: Tony & Ann Emmett, Tony Davis, Maureen Purtell, Jim and Margaret Osborne

November 2009

Council considers New Site for Botanic Gardens

by Jim Osborne

The Southern Highlands Botanic Garden (SHBG) Committee decided to review the suitability of the Old Skin Shed Site, Corner Old South Road and Kangaloon Road, Bowral including the Ponds of Reflection, an area of nearly 30 acres. Charlotte & Chris Webb addressed WSC Councillors at an Information Session in September.

During the meeting Mayor Gair disclosed that he had been working on a plan for a Community Cultural Centre on that site. As a result Charlotte & Chris were asked to prepare a concept botanic garden plan to incorporate the proposed Community Cultural Centre.

On behalf of SHBG, Charlotte and Chris presented a concept plan to Councillors on 14/10/09 and as a result the Mayor tabled a Mayoral Minute to the full Council Meeting on 28/10/09.

In brief, the Mayor's recommendation was:

- The proposal for a concept plan for a Community Cultural Garden be put on public exhibition at the Civic Centre, Moss Vale and on the Council's web site until the end of the year. (A copy of the landscape plan is included in this newsletter.)

- Submissions invited from the Wingecarribee community about any aspect of the proposal.

- Further Report to Council to be considered early 2010 incorporating the community input.

- That a funding source be identified for the initial community consultation to develop a Plan of Management for the community land.

The motion was passed by all Councillors. It was also suggested input be sought

from all Council committees.

This is a very positive response. It is now time for the SHBG to demonstrate that the Community will support the concept we have been proposing for eight years.

The site will become a pleasant park with walking tracks, shade trees to rest under in the summer and lawn areas for children to play. It will be a place for everyone to enjoy the four seasons and a community asset resulting in community wellbeing.

HOW YOU CAN HELP

Now is the time to commence a magnificent Community Asset for future generations.

You can help by:

- writing to Council supporting the SHBG to establish a Botanic Garden on the site

- spreading enthusiasm within the community

PLEASE ACT NOW

**PROPOSED BOTANIC GARDEN AND CULTURAL CENTRE
 OLD SKIN SHED SITE KANGALOOON RD
 BOWRAL**

**BOTANIC GARDENS
